

Questions

Does X have an out-of-court institution for solving disputes on copyright related disputes? (yes/no)

If yes:

1. What is the institution called? Does it have a web page (link)? Is it regulated by law?
2. What are the (other) purposes and competence of this institution?
3. What is the basis of formation of such institution? Who are the members?
4. How is the institution funded and does it have instructions/guidelines on how it operates?
5. Which procedural rules apply, when solving disputes via the institution? Is participating voluntary for both parties?
6. Is your Government planning to fulfill Directive 2019/790 requirements via this institution?

If no:

1. Is there a special court for handling copyright related disputes? How is it regulated?
2. If yes, then are there special procedural rules for such copyright related disputes?
3. Besides Policy Departments, are there other institutes that, regarding copyright related issues, monitor compliance with EU legislation, copyright legislation implementation, etc.?
4. How does your Government plan to fulfill the out-of-court dispute resolution requirements of Directive 2019/790?
